RIO DE JANEIRO**

The Brazilian people are known around the world for their joy and hospitality – and **Rio de Janeiro is one of the best examples of that.** A vibrant and welcoming city, Rio is becoming more and more prepared to welcome visitors and has undergone many **positive transformations in recent years, both in its economy and in public safety.**

Still, just like in any tourist destination, it's important to take a few basic precautions to make sure your trip is **smooth, safe, and unforgettable.**

Dear visitor,

Here are some tips to help you **feel safer** and make your stay even **more enjoyable**:

Hotel reception staff are trained to provide information about tourist attractions, tours, restaurants, and other local tips

Just like anywhere else in the world, be mindful of your phone, camera, luggage, and personal items.

A copy of your passport can be used as identification and is as valid as the original.

Plan your tours carefully and
always hire a licensed guide

When using dating apps, make sure
your first meeting is during the day
and in a public place.

Never leave your drinks unattended
or with strangers. Do not accept drinks
from people you don't know.

It's best to eat and drink at restaurants, hotels, bars, kiosks, or beach stalls.

Use only official transportation services from hotels, travel agencies, taxis, or ride-hailing apps.

When using a credit card, pay attention to the amount displayed on the machine before confirming payment.

Choose accommodations that follow good hygiene and safety practices.
